October 1, 2011

Greetings from Mizuno M1 Volleyball!

We wish to invite you to participate in the 14th Annual Mizuno M1 Tournament Series Events. Enclosed you will find the 2012 Mizuno M1 Tournament Schedule. Our same popular event series will bring your teams a professionally run event in the newly custom built M1 Volleyball Training Center in Bloomington, MN.

You choose the events and dates that you like! Our tournament series helps you customize your season schedule! Over the past 20 years, we have hosted and competed in many different tournament and power league formats. The tournament structure we have developed for the M1 Series is flexible, exciting, competitive and a great opportunity for your teams to develop at a higher level. The playoff formats add a very important part to the training experience that local power leagues or half day events miss. All teams in the M1 series compete in playoffs on each date at the conclusion of pool play. Every match helps you advance to a higher round. (Note: Season Kickoff is Pool Play only, 2 waves)

The 2012 M1 Series offers a number of dates for each age group between January and June. We have added a 12s Division this year due to high demand and many requests. Contact us right away if you wish to add your 12s team. You may choose to play in any of the events. We will adjust the pools each date to give teams the optimal number of different opponents, and at the same time make sure that ability levels are seeded correctly. All teams will play pool play and advance to playoffs on each date. This allows each team to play a minimum of 4 matches and up to as many as 5 or 6 in some formats.

In June of 2008, construction of the new M1 Volleyball Training Center broke ground in Bloomington, MN. The new M1 Center opened in September of 2008. The M1 Training Center is constructed with the new Sport Court Response 6.0 Flooring and a high performance rubber underlayment by Nike for soft court play. We also have the top of the line Senoh Net Systems on each court. Bleacher seating provides excellent viewing for parents/fans. Each court will have electronic scoreboards and high ceiling clearance. The M1 Training Center is located 1 blk off of I-35W and 94th St W. in Bloomington. (1 block west of the Green Mill and Holiday Inn) 1701 W. 94th St, Bloomington, MN 55431

We are very excited about the upcoming 2012 season! We look forward to hearing from many of the great clubs throughout the North Country Region again this year. Teams should register soon by mail. Unfortunately, we are not able to hold any spots over the phone or email. Please send the enclosed form, or print one from the M1 website and mail to us soon. All Entries are non-refundable. All M1 Tournament Events are sanctioned by the NCR USAV.

We will contact you immediately if your teams are not accepted. At that time we may move your team to another date if you wish. In the event that your team isn't placed into an event, checks/refunds will be sent back.

All tournament schedules will be posted each week by Wednesday at www.m1volleyball.com. We will not call any teams with pool information. Please check our website each week for event information. If you have any questions, please call us anytime. Come join us at the 14th Annual Mizuno M1 Tournament Series events.

All M1 Events will begin at 8:00 am and they usually end by approximately 3-4pm if you are in the Championship Match. Our doors will open each day at 7:30am and there will be a mandatory coaches meeting at 7:40am. Please arrive on time!

Good Luck in 2012! We look forward to seeing you this season at the M1 Volleyball Center.
